

SUMMER INTERNSHIP 2021

For the students of -

B.TECH. / M.TECH. / DIPLOMA / BCA / MCA / BBA / MBA / B.COM. /

M.COM. / B.E. / B.Sc. IT - 1st Year To Final Year

About us

PIE INFOCOMM, incorporated on March 23, 2002, is an IT specialized company, consulting and business process service provider. It operates through four segments:

1. IT Services and IT Products (SOFTWARE DEVELOPMENT)
2. Training and Research (INTERNSHIP PROGRAM, WORKSHOPS, FACULTY DEVELOPMENT PROGRAM, IN - HOUSE TRAINING, INDUCTION PROGRAM, PERSONALITY DEVELOPMENT PROGRAM)
3. Digital Marketing (SEO, PAY PER CLICK, SOCIAL MEDIA MARKETING, AFFILIATE MARKETING)
4. Share Trading (TRADING, EQUITIES & SECURITIES)

COMPUTER SCIENCE ENGINEERING / INFORMATION TECHNOLOGY ENGINEERING/BCA/MCA

For the development of SOFTWARE DEVELOPMENT and ERP DESIGNING software we use framework for their development which is used for structure, plan, and in controlling the process of developing information systems. We work in several different approaches for software development

1. For some clients we take a more structured engineering based approach to business solutions.
2. For others we take a more incremental approach, where software evolves as it is developed part-by-part.

ELECTRONICS & COMMUNICATION / ELECTRICAL ENGINEERING - CHIP LEVEL PROGRAMMING and IOT & ROBOTICS- For these departments, we are into the Programming with Embedded Systems, Testing the product in controlled, real situations before going live and Working on VLSI & MATLAB, Automation using PLC/SCADA.

CIVIL ENGINEERING / MECHANICAL ENGINEERING :- DESIGNING OF MOTOR SPARE PARTS & ARCHITECTURAL BUILDING- We are working on AutoCAD, 3D's MAX, PRO-E, NX GRAPHICS software, created by Autodesk Inc., preparing a visual description of a product needs to be constructed.

CHEMCAD DESIGNER - Designing of Chemical equipments and laboratory equipments using CHEMCAD Software.

AGRICULTURAL ENGINEERING - Drawing farm machinery, using 3d max and solid works.

BIOTECHNOLOGY ENGINEERING - DEVELOPMENT USING PYTHON TECHNOLOGY- We are working in the development and designing of Biotech projects using bio-python modules extracting from python technology.

SUMMER INTERNSHIP 2021

Dear Sir / Ma'am,

We, at Pie Infocomm Private Limited have initiated a program for the students of various professional and non-professional courses. The Online Industry Exposure Program (Winter Internship) aims at conducting online training for the students with an attempt to make them skilled and expert in a technology and in the process also make them job ready. In a fast changing world like today, it is very important for us, as educators that we constantly motivate students and the young generation to become skilled and vocational.

The details of the Program are:

1. ELIGIBILITY - BASED ON PROGRAM
2. TRAINING TYPE - INDUSTRY DEMAND
3. TRAINING MODE - Online and Offline

We have received some amazing, positive and encouraging feedback from the colleges we have conducted various internship and training in. We have reached out to the best trainers for different topics and our team is stronger than ever. We assure you of best training and outcome for the students through this program.

PROGRAMS

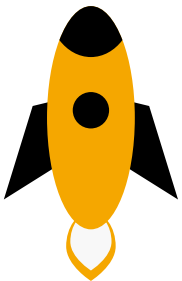

PROGRAM 1 - SUMMER INTERNSHIP PROGRAM

(FOR B.TECH. / M.TECH. / DIPLOMA / BCA / MCA /
BBA / MBA / B.COM. / M.COM. / B.E. / B.SC. IT)

1ST YEAR TO FINAL YEAR STUDENTS

DURATION - 45 DAYS

**FEE STRUCTURE - RS. 2,000/- (ONLINE)
RS. 6,000/- (OFFLINE)**

PROGRAM 2 - INDUSTRIAL TRAINING PROGRAM

(FOR B.TECH. / M.TECH. / DIPLOMA / BCA / MCA /
BBA / MBA / B.COM. / M.COM. / B.E. / B.SC. IT)

1ST YEAR TO FINAL YEAR STUDENTS

DURATION - 6 MONTHS

**FEE STRUCTURE - RS. 3,250/- (ONLINE)
RS. 10,000/- (OFFLINE)**

STEPS OF REGISTRATION

1. Candidates have to register themselves on our online portal for the Test through link mentioned below -

<http://www.pieinfocomm.in/internshipTest.php>

[CLICK TO
REGISTER](#)

2. They have to take an Online Employability Test of 30 minutes which contains 25 MCQs and will be for 25 Marks with no negative marking.

3. The candidates who score more than 22 marks in the online test, will be awarded with free internship for one more technology apart from the one selected by them.

5. After the declaration of result, interested candidates can register themselves by submitting the registration amount.

6. After the registration, candidates will get their PROPOSED LETTER OF JOINING and the internship batch details.

RULES

- 1. Candidates can join us on self financed basis if interested.**
- 2. At least 90% attendance of the candidate is mandatory during the training tenure.**
- 3. Everyone should have their own Electronic Gadgets (Laptops, Mobile Phones and Pen drive, Data Connector etc. according to their requirements)**
- 4. Everyone must clear their dues on the very First day of their Internship.**
- 5. The fee amount, once deposited, is not refundable in any case.**
- 6. The fee amount will only be refunded if the company is unable to start an internship batch within one month from the date of submission of fees.**
- 7. All the candidates are allowed to take one day leave as a CASUAL LEAVE during the Internship Tenure.**
- 8. The Tenure for the Internship Program will be counted for the days mentioned from the date of commencement to the date of completion.**
- 9. The CERTIFICATE and the INTERNSHIP LETTER will be released after the completion of the candidate's Internship program.**

NOTE: THE CANDIDATES HAVE TO FOLLOW ALL THE NORMS AND REGULATIONS. OTHERWISE THE CANDIDATE WILL BE DISMISSED AND BLACKLISTED FROM THE INTERNSHIP PROGRAM AND THEIR MISBEHAVIOUR REPORT WILL BE SENT TO THE COLLEGE AS WELL. WE DO NOT SHARE MARKS WITH THE STUDENTS AS THIS IS A COMPANY PROTOCOL.

LIST OF TECHNOLOGIES - TECHNICAL

TECHNOLOGIES	TEMPORARY POST	BRANCH
IoT	JR. AUTOMATION TRAINEE	EC/EN/EE/CS-IT

SCHEDULE OF BATCHES

SLOT	START DATE	END DATE
BATCH - I	1st April, 2021	45 Days / 6 Months
BATCH - II	15th April, 2021	45 Days / 6 Months
BATCH - III	1st May, 2021	45 Days / 6 Months
BATCH - IV	15th May, 2021	45 Days / 6 Months
BATCH - V	1st June, 2021	45 Days / 6 Months
BATCH - VI	15th June, 2021	45 Days / 6 Months
BATCH - VII	1st July, 2021	45 Days / 6 Months
BATCH - VIII	15th July, 2021	45 Days / 6 Months
BATCH - IX	1st August, 2021	45 Days / 6 Months
BATCH - X	15th August, 2021	45 Days / 6 Months

Benefits of the Program

- Our Training Course Content consists of both core and advanced technologies
- It provides students an in-depth hands on knowledge of software development life cycle.
- The candidates get an opportunity to work with trained IT Professionals.
- It helps students in deciding the kind of specialization they want to pursue.
- It gives an edge to the students during their recruitment process.
- Practical learning based Training Program.
- Get thorough insight into Industry Standards.
- Hands on Demonstrations of Latest Technologies.
- Will also include Personality Development and Technical skills.
- Placement Assistance to students attending our training.
